1) As a follow-up to the PS Vita game title "Bysshoven Combat," "The New FANTASY Action RPG", "The New Fantasy Action RPG" and "Zettai Ryouiki: CORE by SHAOTORI" will release simultaneously for both PlayStation Vita and Android platform in early April 2017.

"The New FANTASY Action RPG" will be a follow-up to the game that can be played with a limited PlayStation Vita version available in Japan on December 18, 2016.

The "Zettai Ryouiki: CORE" game will be included in both versions.

The minimum recommended requirement is a 2GB memory card and Android OS 2.3 or higher.

A downloadable version of this content will be available for free on the PlayStation Store, Google Play and the app. I'll try to disable it. Thank you for the suggestion. Andrey: Sounds like a device related issue. Can you temporarily power off the unit

"Fantasy action RPGs are getting tougher, but Elder Scrolls Online has the spice to make it all come alive." - GameSpot "Elder Scrolls Online is the most ambitious MMORPG announced in quite some time, and its long-term success is likely to hinge on how well it lives up to its bold potential." - Gamespot "While the game may make you feel like you're an elf or a troll, don't be alarmed. It's going to bring that to life. It's going to present you with a whole new world, and it's going to be amazing." - IGN "No matter how long you plan on playing, whether a month, a season, or a year, ESO is one MMO that you'll want to always go back to." - GamerHub.tv THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Elder Scrolls Online is an online game in which players engage in combat, explore an open world, develop a player-character and engage in PvP, explore challenging dungeons, and engage in a legendary quest. ESO is the fifth main entry in the Elder Scrolls series. The game was first announced on April 6, 2013 with the release of the game trailer. Elder Scrolls Online is a free-to-play, subscription-based title by Bethesda Softworks. The game uses the Creation Engine, which was previously used for the two other main entries in the Elder Scrolls series, Oblivion and Skyrim. The player can play an in-game character from any race, and can develop their skills throughout a new class system as they progress through the game. The player may purchase lands and construct their own home, or they can remain with their home while exploring the vast world. ESO offers a large world, and the player can make their own mark on the world through their actions. Various factions are fighting over control of the lands, with each faction having a different way of interacting with the player. The player can participate in PvP combat with any faction, as well as PvP within the main storyline. The world has been redesigned as a third-person perspective, but the player can also interact with the world through a first-person view. Total War: Warhammer 1.8 - New unit: Blood bff6bb2d33
